

Welcome to our
Living Room!

At The Carriage, we like to think of this place as our living room — *and everyone's invited.*

Here, good wine and even better company are never in short supply.

It's a place to gather, slow down, and enjoy the simple things that make life a little richer.

Since opening our doors in 2014, we've believed that wine shouldn't be scary or stuffy — and you don't have to be a certified sommelier to dive in and find something you love. We're here to meet you wherever you are in your own personal wine journey, *because great taste is about exploration, not intimidation — and we all deserve to #DrinkWell!*

So pull up a chair, let us pour you a glass, and stay awhile — *you're among friends!*
