× WINE & MARKET ×

Welcome to our
Living Room!

At The Carriage, we like to think of this place
as our living room, and everyone's invited.

*Here, good wine and even better
company are never in short supply.*

It's a place to gather, slow down, and enjoy
the simple things that make life a little richer.

Since opening our doors in 2014, we've
believed that wine shouldn't be scary or
stuffy and that you don't have to be a
certified sommelier to dive in and find
something you love. We're here to meet you
wherever you are in your own personal wine
journey, *because great taste is about
exploration, not intimidation and we
all deserve to #DrinkWell!*

So pull up a chair, let us pour you a glass, and
stay awhile. *You're among friends!*
